E. R. MESSAGE

During the last weekend of September I attended the Illinois Elks Fall State Meeting in Springfield. Along with the usual camaraderie and exchange of ideas, there were a few things I want to share with all of you. As you know, the Illinois Elks Association helps children with numerous types of difficulties with everyday mobility through the Children's Care Corporation (CCC). In addition to providing therapy, surgery, and equipment to help youth throughout the state, they also provide scholarships to students studying physical and occupational therapy. It only makes sense that if we provide the therapy we can also help provide the therapists. During the Saturday night banquet, the top eight scholarship applicants were introduced. Four of the applicants were presented with the top scholarship awards for the year. I am proud to announce that of the four award recipients, two of them were sponsored by our Lodge; all four were sponsored by the South district.

The state officers decided that in addition to continuing the SOS program, which sends care packages to active military personnel serving overseas,

a program should be established to help fund sending Illinois veterans on the Honor Flight. The Honor Flight network is a non-profit organization that takes veterans on a daytrip to Washington D.C. to visit the memorials that honor their service to their country (at no expense to the veterans). The goal is to provide funding for two veterans from each district to participate. My father travelled on the Honor Flight out of Milwaukee on September 19th. He described the day as "the experience of a lifetime" and said that "every veteran needs to go." As he described over the phone the 5000 people (literally) that greeted the veterans as they returned, he began to cry. It was the first time I ever saw or heard my father shed a tear. During the final meeting of the weekend, it was voted unanimously to undertake this effort. The program is still evolving, and you will hear more about it in the future. To learn about the Honor Flight, visit <http://www.honorflight.org/>

On behalf of the Lodge I say "thank you" to the PER Association and all those who contributed to the recent pork butt sale which raised \$1400.00 for re-sealing the parking lot. This, combined with a very generous donation of \$1000.00

by PER, Jim Ferguson, will cover the entire cost. Another "thank you" is owed to PER (Cape Girardeau Lodge) Gary Mabrey, of Pard Painting, for donating the cost of striping the lot. Your hard work and generosity will keep our Lodge a place we can all be proud of and enjoy visiting.

Next month we will host our veterans' dinner to thank those who served our country. This dinner is for anyone who has served in the armed forces, regardless of when they served, what branch, or during peacetime or war. If you have a relative or friend who served our country, please note the announcement in this newsletter and invite them.

Steve Zak, E. R.
